As one of Canada's favourite pastimes; snowmobiling ranks high on the list of 'things to do' for weekend guests at **Pine Cliff Resort**. Our resort is located directly off of **OFSC Trail E109** that runs parallel with HWY 62 in Combermere, Ontario . At Pine Cliff Rd and HWY 62 it is just a short ride, less than 1km, on a groomed run into the entrance of Pine Cliff Resort. In the Ottawa Valley you'll be able to enjoy over 320km of groomed and maintained trails. We also have an on site fuel pump to make sure that you're never running low and keep the fun going.
